

On Deck Quick-Build Program

Final Mile Series

QUICK-TURN TRUCK BODY AVAILABILITY

At Wabash National, we know timing is as critical to your business as the high-performance equipment needed to get the job done. Our innovative approach to truck bodies starts with unsurpassed performance and durability and extends through your buying experience. That in mind, Wabash introduces the On Deck quick-build program, the dry truck body that's at-the-ready to meet demanding haul requirements—with a turnaround time of 15 production days from receipt of your chassis.

SIMPLICITY

If your needs meet the On Deck specifications (without customizations) and eligibility requirements, you're just days away from experiencing the benefits of a Wabash truck body.

**Call Wabash for pricing and more information:
877-429-5180**

Financing through Wabash is also available.
